

OFFICIAL SCRUTINY FORM

Important Information – Please read the following carefully

- Ensure that your transponder number on the left is correct. If this number is not the one you are using today inform the timekeepers of the correct number IMMEDIATELY.
- Ensure that the race number indicated is the number that you are using today.
- Scrutiny opens at 7:30
- The paddock gates will close at 09:00 on Sunday mornings and will not open again until lunch time. Once lunch is finished the gates will close again and will NOT be opened until racing has finished.
- All riders must attend the riders briefing. This will be held above the garages before the start of practice. Any rider who is found to have not attended the briefing may be excluded from the meeting.
- Appropriate coloured wrist bands may be required be worn by mechanics in the pit lane area. The pit lane area is NOT an approved viewing area. Children under 16 years of age, Petrol containers, Portable Generators, Dogs etc are not allowed in this area. Smoking is also prohibited.
- The use of Paddock bikes, bicycles, skate boards etc in the paddock area is not permitted.
- Please do not dispose of engine oil, tyres or batteries in the general rubbish bins provided around the circuit. These items should be removed from the circuit and disposed of in the appropriate manner.
- Listen carefully to the paddock announcements. Once your class is called you should make your way immediately to the pit lane. If you do not arrive in time you may be excluded from the race.
- All protests must be made to the clerk of the course in writing and must be accompanied by the appropriate fee. Protests must be lodged prior to the officials meeting which takes place shortly after the end of the last race.
