

3 Changes to Adult Southern Centre Regulations

Change 1

Rule 16

Sharing of transponders prohibited

New wording:

“Riders may not share a transponder on the same race day.”

Reason for change:

Sharing of transponders on race day with the new format allowing the possibility of different graded riders competing in the same heat, this creates a massive problem for timekeeping.

Change 2

Rule 35- Format

Qualifying session has been changed from 5 minutes free practice to 1 sighting lap plus 10 minutes timed practice

New wording:

“Grade A	One sighting lap + 10 mins timed qualifying
Grade B	One sighting lap + 10 mins timed qualifying
Grade C	One sighting lap + 10 mins timed qualifying
Over 35’s	One sighting lap + 10 mins timed qualifying”

Reason for change: To reduce cumulative track time in order to facilitate all racing be carried out on day.

Change 3

Rule 35- Format

Order of racing/times has been changed to allow the Over 35s go out first:

New wording:

“Over 35’s	12 mins + 1 lap
Group 1	20 mins + 1 lap
Group 2	16 mins + 1 lap
Group 3	12 mins + 1 lap
Support Race (if needed)	12 mins + 1 lap”

Reason for change: To allow timekeepers sufficient time to calculate the qualifying times in SC adult heats.
